- Street
- Bus Stop
- Public parking lot
- Disabled Parking
- Baby-care room
- Barrier-free entrance
- Lift
- Gradients
- Stairs
- First aid
- Unisex restroom
- Disabled restroom(s) available in building

Accessibility on the campus

Access to the Adolf-Reichwein-Campus is only partially barrier-free. Please note the marked gradients/stairs (▲ / 🌀) the ground-level accesses (●) and building sections with elevator (■). Some parts of the building are only accessible via detours. In many buildings there are barrier-free toilets which can be operated with a "Eurokey".

The key is also available at the respective gates of the buildings. To ensure that you reach your destination without any problems, we will be happy to help you.
